Any-to-any Cloud Migration to OCI

Oracle Cloud Infrastru | Backup and Recovery | Migration

Self-Paced Training

Overview Ratings (0) Provider

App by ZConverter Inc.

We help engineers of Enterprises, SIs or VARs make the OCI cloud migration simple and easy between heterogeneous cloud platforms and/or dissimilar hypervisors and/or dissimilar disk formats.

**ZConverter Powerful Features**

- Cloud Migration Capability between heterogeneous cloud platforms
- Cloud Migration Capability between dissimilar hypervisors
- Cloud Migration Capability between dissimilar disk formats

**ZConverter Capabilities for OCI**

VMware, Hyper-V, KVM, Xen to OCI Migration

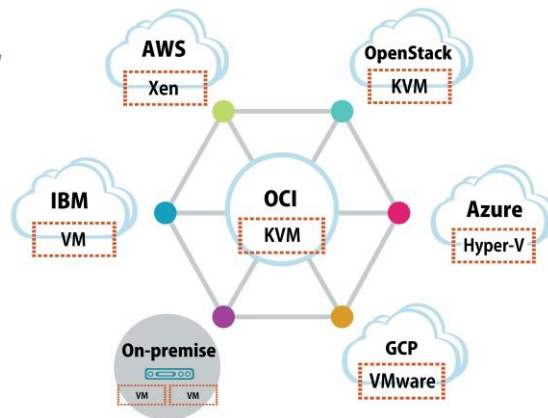

The screenshot shows the Oracle Cloud Marketplace page for ZConverter. At the top, there's a navigation bar with 'ORACLE Cloud Marketplace' and links for 'Oracle Cloud Home', 'Publishers', 'Resources', 'Sign In', and 'English'. Below that is a banner with the text 'Migrate Faster with ZConverter And Unlock the Full Capabilities of OCI'. The main content area features the ZConverter logo, the product name 'ZConverter Cloud Migration SaaS', and a 'Get App >' button. There's also a 'Self-Paced Training' button. Below the product name, it says 'Any-to-any Cloud Migration to OCI' and 'Oracle Cloud Infrastru | Backup and Recovery | Migration'. There are social media icons for Facebook, Twitter, LinkedIn, and others. At the bottom, there are tabs for 'Overview', 'Ratings (0)', and 'Provider'.

## Technology

## Cloud-agnostic Migration Technology

Any-to-any Migration to OCI  
between

- Dissimilar Cloud Platforms
- Heterogeneous Hypervisors
- Dissimilar Disk Formats

## Use Case

**#1 : OCI Gen2 Cloud Migration for a Top 20 Global Fortune 500**

- SAMSUNG moves 100 workloads to OCI using ZConverter Technology

**#2. 500 IPTV workloads migrated for a 5G Telecom company**

- A 5G Telecom company moved 500 IPTV workloads to OpenStack Cloud

**#3. 220 workloads migration to AWS for a Global Airline Carrier**

- In Two weeks, ZConverter Engineers moved 220 workloads to AWS

**#4 : Cloud Disaster Recovery Services for a Top 20 Fortune 500**

- Samsung.com is being protected using ZConverter Cloud DRaaS
